

INSIDE THE CIRCLE

April | May | June 2026

DEAR MEMBERS,

I hope this newsletter finds you well. If we have not already met, I would like to introduce myself as your new Circle Advisor and the NLMC Community Outreach Coordinator in the Marketing Office – my name is Meagan Morris and I am thrilled to be here! I look forward to meeting even more of you and planning exciting events for us to enjoy together.

As announced last quarter, due to postage costs increasing, we will be sticking with a fully digital newsletter and event calendar. You can find these on the hospital's website (at the bottom of this page) and our Facebook page, but we will also email them to all registered circle members at the start of each quarter. If you would like to update your email address with our office, please reach out!

MEAGAN MORRIS

Marketing | Community Outreach Coordinator & Circle Advisor

Ph: 318-254-7515
