

INSIDE THE CIRCLE

April | May | June 2026

DEAR MEMBERS,

This year is flying by! We are preparing for our third quarter of events and have so much to look forward to.

You can pick up a copy at the NLMC front desk and cafeteria, find it on our Facebook page and website, as well as have it emailed to you. If you need to update your email address with us, please reach out by phone or email.

Please mark your calendars for The Circle of Bienville Medical Center's 3rd Anniversary Celebration on August 6th. RSVP to Sharla McClusky by July 29th. See the invitation. →

Spring brought a season of transition for NLMC Leadership: Tami Davis, founder of The NLMC Circle, has retired; We will miss her presence dearly! Meagan Morris is the new Director of Marketing and remains The Circle Advisor. Monica Adams has been named CEO of NLMC, Arnie Young COO, and Jennifer Patton CNO. We look forward to new beginnings and great things ahead for our hospital! Your support is always so greatly appreciated.
